

the **MIDAS**

\$2,199.99

The Midas watch is our most advanced watch. The Midas includes all of the previous features from the Atlas and Zeus with many addons including, ECG technology, menstrual cycle tracking, medication app, music, and games. The Midas has the golden touch where you can connect your banking accounts to pay or transfer money from your wrist. Every feature of the Midas makes it the most adaptable and accessible watch for any person.
